

Hewanorra International Airport, Saint Lucia

Public-Private Partnership

Invitation for Pre-Qualification

The Government of Saint Lucia (the "GoSL"), through the Saint Lucia Sea and Air Ports Authority (the "SLASPA") is seeking to short list private sector operators with proven experience in the aviation sector to operate, finance, develop, and maintain the Hewanorra International Airport (the "Project"). The International Finance Corporation (the "IFC"), a member of the World Bank Group, has been appointed by SLASPA as Lead Advisor on the structuring and implementation of the Project.

With the objective to short-list interested investors, the GoSL and SLASPA are launching an invitation for pre-qualification applications (the "Pre-Qualification") from companies or consortia with experience in the airport sector. This Pre-Qualification is the initial stage of a bidding process, which will be launched at a later date. SLASPA intends to select a preferred bidder for the Project through an open, transparent and competitive international bidding process, in accordance with Saint Lucian law and international best practices (the "Bidding Process"), with the objective of signing a concession contract with the winning bidder in 2016.

In response to this Invitation for Pre-Qualification, any person wishing to submit a Pre-Qualification application should directly contact SLASPA, with copy to the IFC coordinators, whose names and email addresses are provided below, to obtain the Pre-Qualification Document. Further information on the Project is contained in the Information Memorandum which will be available with the Pre-Qualification Document.

Prospective bidders shall copy any correspondence sent to SLASPA with respect to this Invitation for Pre-Qualification to the IFC coordinators as indicated in the datasheet included in the Pre-Qualification Documents.
